TMark: compact GPS mark

The robotic mark that fits in your suitecase

TMark is the most **compact** member of the SMark family, just **4 kg** packed into a 40×50×20 cm bag that travels with you as luggage. It runs on the same technology proven over 8 years of regattas, in a lighter and more affordable package. Ideal for training, dinghy racing, gates and offset marks. No anchors: set and move your marks in seconds. One 145 Wh battery lasts over **8 hours in 20 kn of wind**, and it has been tested up to 25 kn. Choose from 3 hulls to match your conditions; GSM and radio control are available as options.
